

Name: _____ Date: _____

History Detectives Worksheet A: Watching for Clues

Directions: Use the below space to write down clues that may help you discover more information about your film. If you need more room, use another page or the back of this one.

Title of the Film: _____

- A. What information about the film is provided by the “About Video” section below the video player? What other information is listed on the page under “Statistics,” “Location,” “Date” or elsewhere?

- B. What clues might indicate the year or season in which the film was shot? (Calendars, cars and license plates, fashion and hair styles, furniture, etc.)

- C. What clues might help to identify where the film takes place? (Street signs, business names, landscape, etc.)

- D. What clues might help to identify the people in the film? (Clothing, age, activity, sex, ethnicity, etc.)

- E. What general clues might help you to identify what is happening in the film? (Activities, people, signage, etc.)
